[Jazz Christmas music and people talking in the background]

Hey! Enjoying yourself? Good. Good. Hey. You are enjoying yourself, I see. Enjoy yourself. Relax and have fun.

[pause and footsteps]

Hello, my lovely assistant.

[pause]

Hey, easy there. It's a Holiday Party. We don't need to be professional or hostile to each other.  
[low chuckle]

[pause]

Hey, you have been a great assistant to me. I have to give you props for that. You are the best.

[pause]

I'm serious. Remember the Meridan account? That was tough to work on. Spent nearly four months on it.

[pause]

You don't take any shit from anyone. You were determined and that's what I like in my employees.

[pause]

Of course, you are the best. Enjoy yourself tonight. I must say, you look absolutely stunning in that red dress. God damn.

[pause]

What? Nothing. I didn't say anything. Just enjoy yourself.

[pause]

[clink of glass] May I have everyone's attention?

[pause with people stop talking]

I would like to thank everyone for attending our annual Holiday Party. This is a special time of year for all of us. Not only to celebrate the spirit of Christmas with our friends and loved ones, but our yearly milestone for this company. With that being said, I would like to announce that for the fifth year in a row, we met our goal, but we exceeded what I ever thought we would do. Our company has reached a new net worth of \$750 million. And everyone will receive a bonus and extra time off for the holiday. Congratulations everyone! And Happy Holidays!

[pause and fade of music]

[knock on door]

Come in! Oh? Hello. What can I do for you?

[pause]

Okay. These are the files to sign off on the bonuses? Thank you.

[pause]

Yeah, I'm going to sign them now. Hey, before you go, I need to know why you were so cold to me at the party. Like, what is the problem?

[pause]

Don't deny it. You were very cold towards me. What the hell is the problem?

[pause]

Look, no need for the professional talk with me. Talk to me. What is the problem? Tell me what the problem is. Was it the Washington account I gave you? Working overtime?

[pause]

No? What is it?

[pause]

I'm annoying? Wow. Is that all?

[pause]

And you never forgave me for firing Greg? That was a year ago. What does that have to do with anything?

[pause]

Look, Greg had been unprofessional for a while and we had to let him go. It had nothing to do with you.

[pause]

God damn it! What do you think the reason is?

[pause]

You think the reason I fired him was because he flirted with you? No.

[pause]

I'm not lying. Why would I lie? There's no way I would lie.

[pause]

I'm not flushed. You are making me upset about this whole Greg situation. So this is why you are mad at me?

[pause]

You know what? I can't fucking take it. [moves to the corner of the office, followed by a low hardcore dom tone] You want to know the truth? Yes. Yes, I got jealous when Greg flirted with you. I couldn't stand for him to flirt with what's mine.

[pause]

Yes mine. You are mine. My assistant. Fuck you, drive me crazy. The way you look so sexy in this red dress. I couldn't keep my eyes off you. I think you did it on purpose.

[pause]

Maybe? [low dom chuckle] I know you did. You think I wouldn't notice? The little subtle ways you undermine my authority. In meetings and everything. Fuck. Oh my God. You smell so good.  
[pause]

The way you are fighting this connection is making me want you even more. Especially with us in this corner of my office.

[pause]

Just say stop and I'll stop. Say the word and I'll leave you alone. I won't give you shit or anything.

[pause]

You can't, can you?

[pause]

That little gasping moan you made with me whispering in your ear. You like that, huh?

[pause]

Kiss you? Yeah?

[pause with making out and moaning]

Fuck you are a great kisser. I've thought about this for so long. Oh fuck. I need to touch you.  
[gasp] Oh my...you are dripping down your thigh already? Fuck. I turn you on that much? What if I kiss your neck? [neck kisses]

[pause]

You like that? Yeah? With my hand teasing your thigh? Fuck.

[pause]

Look at you. Trying to squirm. Turn around. Have your face pressed against the wall. You are so sexy in this dress. God damn. Let's lift it up, shall we? Oh fuck. What would happen if I did this to you? [spank]

[pause]

Oh? Seems like you love being spanked. A handprint would look so good on you. Count as I spank you. [ten spankings] Good girl.

[pause]

What am I doing? I'm on my knees and taking your panties off. You don't need them anymore.

[pause and take off panties and moans]

Spread your legs for me. Spread them for me. Good girl. Your pussy tastes so fucking good. Fuck. I love eating you from this angle. Fuck.

Oh? You turned around—[more force of eating pussy] fuck. [gasping for air] You must really like me eating your pussy? Fuck. Guide me. Guide me, gorgeous. You look so fucking hot coming apart as I eat your cunt. Mm-hm. Mm-hm. Mm-hm. Good girl. Good fucking girl. On your clit? Like that? Fuck.

[pause]

A finger? Oh yeah. Demanding? I love it. Just like that? Just like that? Fuck yeah. Oh fuck yeah.

[pause while still fingering and licking]

Fuck it. I need to kiss you. Bring that mouth to me. [making out and it's rough]

[moaning and whimpering] Oh fuck. Fuck, fuck, fuck. I love how you are grabbing me. Fuck. My cock is so hard for you. Fuck. Fuck. Take it out. Take it out, gorgeous. [undoing of pants] Fuck. Get on your knees and take my cock out. Oh fuck. Fuck. Fuck. Oh yeah. Just like tha—[moaning from cock being sucked] oh fuck. Oh fuck. Fuck yeah. Fuck yeah. Just like that in your mouth. Oh fuck. You are so good at that. Fuck! Oh God. Down your throat. Oh fuck. Oh my God. Oh yeah. Oh yeah. Oh yeah. Oh yeah. Fuck, fuck, fuck, fuck. You look so good on your knees sucking my dick. Just like that. Oh fuck. Oh fuck. Oh God. You keep going like that, I'm going to come. Oh fuck. Fuck. Fuck. Fuck. I need to fuck you. Get on my desk.

[pause and moves her to the desk and knocks over papers and making out and moaning and grunting]

Oh my God! You are eager for me, aren't you? I thought you hate me?

[pause]

You still do? Good. Spread your legs. Wide. Good girl. Oh fuck. You are so sexy spread wide for me. Fuck.

[pause]

Demanding for me to fuck you? You are that needy for my cock? What if I tease you? With my tip? Oh fuck. Roll those eyes back. This is for how you drive me crazy. Every. Fucking. Day. [sliding in her] Oh fuck! Fuck. Oh, you fit so well in me. Oh fuck. Yes! Oh fuck! Fuck! Fuck!

[pause with gentle fucking and kissing]

[moaning and grunting] Harder? Harder? [harder pace] Like that? Like that? Fuck. Fuck. Fuck. Shit! Shit! Shit! Oh fuck. Oh my God. You are taking my cock like a good girl. Good girl. Good fucking girl. Good girl. Oh yeah. Oh yeah. Fuck. Fuck. Fuck. Still hate me?

[pause]

[moaning and grunting] Yeah? Good. Fucking that hatred out of you. In the end, you'll be begging for me to let you come.

[pause]

[moaning and grunting] Fuck me? Baby, I'm already fucking you. You. Are. Mine. Oh fuck. Oh fuck. Admit that this feels good. Admit it. You know want to. Do it. Do it. Do it. We can be here all night. Use your words. Use your fucking words.

[pause]

[moaning and grunting] Yeah? Yeah? Oh fuck. Does it feel good? You like me fucking this pussy? Pounding your cunt?

[pause]

[moaning and grunting] Yeah? Yeah? You need to come? Beg! Beg to come. Beg, beautiful. Beg to come. You can do better than that.

[pause]

[moaning and grunting] Good girl. Good girl. You like me fucking you this hard? My cock fucking this pussy? Yeah? Yeah? Yeah? Oh fuck. Oh fuck. Oh fuck. Come for me as I come in you. Come for me as I come in you. That's right. You can come. Come for me. Oh God, you feel so good. Oh fuck. Oh fuck. Make yourself come. Play with your clit to make yourself come. That's right. That's right. Come for me. Come for me. Come for me. Come for me. Oh fuck. Yeah! Yeah! Yeah! Oh fuck! [come]

[catching breath] Oh fuck. Oh my God. Oh fuck.

[pause]

[concerned] You okay?

[pause]

Yeah? Good. Good. [kissing but gentle]

[pause]

Did I mean that you are mine? Oh yeah. You are mine in every way. You are my assistant and my fuck toy. I get to fuck you and eat your pussy whenever I want.

[pause]

You like that, huh? You did so good taking my cock. Such a good girl. [kissing]

[pause]

You are still so sexy post-sex. You're makeup-smeared, hair a mess, and that glow. God, that glow. I can get used to that.

[pause and kissing]

Good girl. And Happy Holidays.
