Oh, I'm so glad you are okay and safe. [embrace in a hug]

[pause]

I know that being in that jail cell was awful. Come. Let's get you cleaned up and into proper clothes.

[pause and footsteps]

[chuckle] Of course, I am a gentleman. I always take care of a woman properly, no matter what.

[pause]

Yes. My younger sisters have dresses here for when they would stay that I know they would be fine with you to wear.

[pause]

It's fine. They don't mind. They always share their clothes anyway.

[pause]

Don't worry about your stepmother. All is taken care of. She will never bother you again. And your inheritance will be restored to you.

[pause]

Good. You can go through those doors and I'll meet you in a few minutes.

[pause and footsteps]

[talking to yourself] I can't believe it was her this whole time. I feel like such an idiot. An idiot to almost give up his title and land for her. This whole time, she was of nobility.

[pause]

Oh! You look beautiful, my dear.

[pause]

No need for formalities. We have had several intimate moments in the past. [nervous chuckle]

[pause]

So, you are the mystery woman from the ball months ago?

[pause]

And this handkerchief is yours?

[pause]

Where did you get this?

[pause]

It was your mother's?

[pause]

Oh! I'm sorry. Is this the only memory you have of her?

[pause]

Ah. I must give it back to you. It was yours all along.

[pause]

Yes. You're welcome.

[pause with awkward silence]

So this whole time, while working for my family as our maid, you were the mystery woman from the ball?

[pause]

Why didn't you tell me?

[pause]

Would I have believed you? I really don't know.

[pause]

I don't know. I feel like a fool for not knowing. But why not admit it sooner when you saw me?

[pause]

Ah. I see. Your stepmother doesn't seem like she's the best.

[pause]

Ha. After what she did to you, I don't see how you survived in that house.

[pause]

However, there was something about you that had me just had me falling for you the entire time working for me.

[pause]

You are not like any woman I have met. You carry yourself with grace, dignity, and confidence. Just like you were at the ball.

[pause]

That night in the garden is still forever in my dreams. The way you blew my mind with your talk of the universe. Plus, you were so, so, so beautiful that night.

[pause]

Yes, you were. It did matter to me. You were known as the most beautiful young lady there. Why did you think you caught my eye?

[pause]

Not to forget, the enhancing encounter we had together. Your lips on mine. So soft. Your moans that is still music to my ears.

[pause]

You still remember that night, too?

[pause]

Of course. Neither one of us will ever forget it.

[pause]

Have I ever told you that you are beautiful and how much I love you?

[pause]

Want me to say it again?

[pause]

You are beautiful and I love you.

[pause]

Oh my word. These lips. Mmmmmm. [kiss] I told you. No more formalities. Call me by name. Let me kiss you more.

[pause and making out]

Oh fuck. Oh fuck me. Knowing this whole time, while under my roof, I was kissing you makes this moment way better.

[pause and kissing]

You know something?

[pause and kissing]

This should be done properly. Let's go to the bedroom.

[pause and kissing while making your way to the bedroom]

Mmmmmmm. Want to kiss our way there? Naughty. I love it.

[pause and kissing and reaches the bedroom and closes the door]

I know you just got this dress on, but it's in my way. Let's get this off. I want to see that body of yours.

[pause and takes off her dress]

Fuck tradition. I want you. I want you so fucking badly.

[pause and kissing]

What? My clothes?

[pause]

Right. Lie down and let me get out of these. Oh fuck.

[pause and you take off your clothes]

Oh fuck. You like what you see?

[pause]

Yeah? I like what I see myself. You are a gorgeous goddess.

[pause]

[making out] Mmmmmmm. Fuck. Oh, I love kissing you. I must eat your pussy. I know you must be soaked for me.

[pause and kiss]

[kissing down her body] Let me kiss my way down to your pussy. Fuck. Moan for me. Oh fuck. I'll never get tired of your moans.

Spread your legs for me. Oh fuck yes. Oh, so fucking perfect. All for me. Oh fuck. [eat her pussy and moaning] Mmmmmmm. Such a perfect pussy. Mmmmm. This is what I know and love. Oh yeah. Oh fuck yeah. You taste so fucking good. Oh fuck yeah. Oh fuck yeah. Oh yeah.

[eat her pussy and moaning] Enjoy this, my love. You are mine. I'm never letting you go. Mmmmm.

[pause and goes back up to kiss her]

I need to be inside you. I need to fuck you. Oh fuck. I'm so hard. I'm going to be gentle with you. I want to make you feel so good. Oh fuck. Oh fuck.

[pause and slide inside her and moaning]

[moaning and grunting] Oh my God. Oh my God. Oh God, yes. Oh fuck. Your pussy feels so good on my Cock. Oh fuck. Oh fuck yeah. Kiss me. Kiss me. [making out] Oh fuck. Fuck. You feel so good, my love. Oh fuck. Fuck. Fuck. Oh God. Fuck. Fuck. You still feel so good on my cock. I will never get tired of fucking you. I want to spend forever with you.

[moaning and grunting] Please say you will be mine. Say you will be mine. Be my love. Be my []. Say it. Say it. Say it. Oh fuck. Oh fuck. Oh fuck.

[moaning and grunting] Be loud. Say it louder. Say it louder. Oh fuck. Oh fuck. Fuck. Fuck.

[moaning and grunting] Oh yes. Oh fuck yes. Oh fuck yes. Oh God.

[moaning and grunting] Oh, you need to come? Come for me. Come for me. Come on my cock. That's right, my love. I'm yours. I'm forever yours. Oh fuck. Oh fuck. Let's come together. Let's come together. Oh fuck. Oh, I'm gonna come. Oh, I'm gonna come. Oh fuck. Here it comes. Here it comes. Oh fuck! Oh fuck! [come]

[out of breath] Oh fuck. Oh my God.

[catching breath] That...was...that was perfect.

I love you. [kiss] I love you so much. [kiss]

[pause and kissing]

I want you to marry me.

[pause]

Marry me. Please? I want you to be my wife. Be the lady of the house. Be my [say name of title]. And have my children.

[pause]

I'm serious. Marry me.

[pause]

Is that a yes?

[pause]

Yes? Yes! Oh! [laugh of happiness and kiss her] This makes me so happy. I promise that I will give you the life you ever dreamed of. I will make you so happy and loved.

[pause]

I love you too.
